MEMORANDUM FOR: Acting Chief, Management Staff, DDA

25X1

FROM:

[REDACTED]
Director of Communications

SUBJECT: Submission of New Communications Support
Requirements for FY 1982 through FY 1986 (U)

REFERENCE: OC-M78-770, dtd 26 October 1978

1. It is requested that communications support requirements for FY 1982 through FY 1986 for Directorate of Administration offices be forwarded to the Office of Communications by 1 December 1979. To ensure proper ranking of the requirements within the OC program and to facilitate program processing, it is further requested that the requirements be submitted in Directorate priority order. (U)

2. OC representatives are prepared to assist members of your staff with definition and statement of requirements as necessary. The focal point for discussion of new support requirements is the Systems Integration Staff, Engineering Division (OC-ED/SIS). [REDACTED] is the designated Systems Requirement Manager within SIS and is the primary point of contact for Directorate and Office communications requirements coordinators. (C)

3. Should additional information concerning this memorandum be required, please have members of your staff contact:
